

DISRUPTIVE BEHAVIOR DISORDERS AND OUR ADOLESCENTS PART II

Presented by:
Randi Hankins, CSW, CMHS

Randi Hankins is an Associate Professor of Clinical Social Work in the Masters of Social Work program at Walla Walla College. She has worked in the community mental health system as a therapist and clinical director and has been a practicing County Designated Mental Health Professional for the past 28 years. She is a Certified Social Worker and is both a Child Mental Health Specialist and a Developmental Disabilities Mental Health Specialist. Her primary areas of clinical practice and expertise include sexually reactive children, adolescent disruptive behaviors, psychotropic medications, crisis intervention and suicide prevention.

Foster parents and relative caregivers are increasingly called upon to deal with oppositional, aggressive or self destructive behaviors from adolescents placed in care. This training will focus on hands-on techniques to circumvent, defuse, and redirect acting out behaviors to reduce conflict and drama, while increasing communication and cooperation within the home.

Don't miss this excellent workshop!

Thursday, March 1, 2007
9:00 AM to 4:00 PM
DCFS (CA) Building Room 195
1949 South State Street
Tacoma, WA. 98405
