

Addiction Basics:

Alcohol and Chemical Abuse

Presented by:
Families for Kids

In coordination with Pierce College, Foster Parent Education

Workshop Objectives:

- ❖ Provide a basic understanding of the impact of alcohol and other substances
- ❖ Participants will learn about the physical and emotional impact of substance abuse on the abuser and the family
- ❖ Signs and symptoms of use and abuse will be discussed
- ❖ Locating and accessing resources will also be addressed

This workshop was created by Wes Hamilton. Wes recently retired from DSHS, where he served as a program manager with the Division of Alcohol and Substance Abuse. He has over two decades of experience teaching for both Pierce College and South Puget Sound Community College. He received his education from The Evergreen State College in Olympia with a degree in anthropology, with applications to political science, public administration, and community law.
