

African American Hair Care

***Presented by Theresa L. Johnson & Shelly Gaines of
Saks on2nd Salon, Renton, Washington***

Theresa Johnson & Shelly Gaines are a licensed hair care specialist & stylist. Theresa & Shelly have a combined 35+ years experience in providing excellent and quality hair to the African American community in the greater Seattle area. Theresa & Shelly attended Seattle Central Community College for cosmetology. They specialize in African American and Bi-racial hair care and Theresa has been a master braider for over 20 years. Some of their advanced training includes the following: Dudley's University, Mizani certified, Affirm, KMS, John Paul Mitchell and Nioen hair care systems. Both hair specialists bring a wealth of learning and understanding in properly managing and caring for African American children's hair & skin care promoting positive self esteem for children of color.

The major goals of the workshop are:

- ◆ Provide foster parents with appropriate hair care skills for African American children
- ◆ Provide foster parents with skills to manage their African American child's hair
- ◆ Basic hair care technique
- ◆ Basic skin care for children of color
- ◆ Limited styling training and
- ◆ Resources to purchase appropriate hair and skin care products for African American children
- ◆ Due to limited space children will not be allowed to attend this workshop
